SERVICE ANNOUNCEMENT

DIRECT PORT CALLS TO FREMANTLE

Dear Valued Customer,

Effective March 2024, Armacup will start providing a monthly direct port call to Fremantle (Australia) on our China-Australia service.

By doing so, we will be further enhancing our service by offering faster transit times and reducing transshipment delays caused by DAFF stops or delays with connecting vessels.

Our first scheduled sailing to Fremantle will be Morning Crystal voyage 2456 which is scheduled to load Shanghai March 28th.

We are looking forward to your support by using these dedicated voyages for your Fremantle destined cargoes.

Kind Regards,

Armacup
